Title: _____
Chapter/Pages: _____

INVESTIGATOR: Your job is to complete a mini-research report on any topic related to your book that is worthy of further research. This might include one of the following: geography, history, time period, objects, music, culture, author, or anything else from the text that interests you. You may not repeat a topic that has already been covered. You can gather information from the following sources: parts of the book, library books and magazines; the internet; interviews; other stories or literature; nonfiction or textbooks you have read. Do not just define words, and do not use Wikipedia as your only source. ***Please write your information below using your own words and complete sentences.***
